## CAREER OUTCOMES

Graduates of the Diploma of Business (Compliance) (BSB50120) possess specialised skills and knowledge that prepare them for various career opportunities in compliance management, regulatory affairs, governance, and risk management. Potential career paths may include:

- Compliance Manager/Director: Oversee compliance functions within organisations, ensuring adherence to regulations, standards, and ethical practices.
- Regulatory Affairs Officer: Ensure compliance with industry regulations and standards, liaising with regulatory bodies and managing compliance documentation.
- Risk and Compliance Analyst: Analyse risks associated with non-compliance and develop strategies to mitigate potential risks while ensuring adherence to regulations.
- Governance Specialist: Develop and implement governance frameworks, policies, and procedures to ensure ethical conduct and regulatory compliance.
- Corporate Compliance Consultant: Provide consultancy services to businesses, advising on compliance strategies, risk management, and governance frameworks.
- Compliance Training Specialist: Develop and deliver compliance training programs to educate employees on regulations, policies, and best practices.
- Quality Assurance Manager: Implement quality assurance processes, ensuring compliance with industry standards and regulatory requirements.

It's important to note that some roles may require additional experience or further education. However, the BSB50120 Diploma in Business (Compliance) provides a solid foundation and is a stepping stone towards more senior roles in business compliance.
