## CAREER OUTCOMES

Graduates of the Diploma of Business (Leadership) (BSB50120) possess advanced leadership skills and strategic insights that pave the way for diverse career opportunities in leadership and management roles across industries. Potential career paths include:

- **Business Manager:** Oversee and manage the operations of a business, implementing strategic initiatives and leading teams towards achieving organisational goals.
- **Operations Director:** Provide strategic direction and oversight for operational divisions within organisations, ensuring efficiency and alignment with business objectives.
- **Strategic Planning Manager:** Develop and implement strategic plans, ensuring alignment with organisational objectives and driving sustainable growth.
- **Change Management Consultant:** Lead organisational change initiatives, guiding teams through transitions and ensuring smooth implementation of change processes.
- **Executive Manager:** Hold key executive positions, directing and overseeing various aspects of business operations and decision-making.
- **Entrepreneur/Founder:** Apply leadership skills to establish and manage new ventures, driving innovation and business growth.
- **Consultant/Advisor:** Offer specialised leadership expertise to businesses, providing guidance on leadership strategies and organisational effectiveness.
- **Project Management Director:** Oversee multiple projects, ensuring alignment with organisational goals and leading project teams towards success.

It's important to note that some roles may require additional experience or further education. However, the BSB50120 Diploma in Business (Leadership) provides a solid foundation and is a stepping stone towards more senior roles in business leadership.
